Notice and Knowledge: On and For any and all Public Record to establish Facts of Treason by Political Parties, Governor-Generals and State Governors against the People of the Commonwealth of Australia as established under the Commonwealth of Australia Constitution Act 1901 consisting of its Preamble, Clauses 1 to 9 and the Schedule.

There is no Governor-General with Crown representation Authority to send this Act to the Queen For Her Signature.

Elizabeth the Second by the Grace of God of the United Kingdom of Great Britain and Northern Ireland and of Our other Realms & Territories Queen, Head of the Commonwealth, Defender of the Faith for Her signature of Authority.
The Crown Authority was for the Commonwealth of Australia Pound

Therefore the Australian Dollar has NO Head of Power and is Counterfeit to the Commonwealth of Australia Constitution Act 1901 of its Preamble, Clauses 1 to 9 and the Schedule as Proclaimed and Gazetted consisting.

Salary of Governor-General = pounds.

each senator and each member of the House of Representatives = pounds.

payable to the Queen = pounds.

Ministers of State = pounds.

Justice Dawson of the High Court "of Australia" on 5th November 1996 in Leask v Commonwealth [1996] HCA 29, referred to "Head of Power":-

" As McHugh J said in Re Dingjan; Ex parte Wagner.

In determining whether a law is 'with respect to' a head of power in s 51 of the Constitution, two steps must be taken.

First, the character of the law must be determined. That is done by reference to the rights, powers, liabilities, duties and privileges which it creates.

Secondly, a judgment must be made

as to whether the law as so characterised so operates

that it can be said to be connected to a head of power conferred by s 51.

In determining whether the connection exists,

the practical, as well as the legal, operation of the law must be examined.

If a connection exists between the law and a s 51 head of power,

the law will be 'with respect to' that head of power unless the connection is, in the words of Dixon J, 'so insubstantial, tenuous or distant'

that it cannot sensibly be described

as a law 'with respect to' the head of power."

No contract in Australian Dollars is valid. Contracts in fraud are a non contract.

WHAT HAPPENED TO GUARDIAN OF THE CONSTITUTIONS

The High Court is the “guardian of the Federal Constitution;” that is to say, it has the duty of interpreting the Constitution, in cases which come before it, and of preventing its violation. The Federal Parliament and the State Parliaments are not sovereign bodies; they are legislatures with limited powers, and any law which they attempt to pass in excess of those powers is no law at all it is simply a nullity, entitled to no obedience.

[Legislative power of the State](#)

Legislative power of the State

The Parliament of South Australia is entitled to legislate on any matter for the peace, welfare and good government of the people of the State of South Australia. There is no principle of separation of powers in the State constitution nor is the State's legislative power subject to a requirement to preserve fundamental human rights. However, there are certain limitations on the State's legislative power, including the following:

- The subject matter must have a nexus with the State.
- The Parliament must comply with manner and form provisions relating to the constitution or the powers and procedures of the Parliament.
- The State cannot legislate in an area where the Commonwealth has exclusive legislative power (for example, section 90 of the Commonwealth Constitution (Exclusive power over customs, excise, and bounties)).
- A State law that is inconsistent with a valid Commonwealth law will be invalid.
- The State law must conform with requirements of the Commonwealth Constitution, for example, section 92 (Trade within the Commonwealth to be free), section 114 (States may not raise forces. Taxation of property of Commonwealth or State) and section 117 (Rights of residents in States).

State legislation must be consistent with the [Australia Act 1986](#) of the Commonwealth. **All the above is Treason.**

Former Electoral Commissioner Bill Gray returns the writs for the 1999 referendum to the Governor-General, Sir William Deane.

The Political Parties Republican Australian Electoral Commissioner under their sovereign, independent and federal nation, forced people as established under the Commonwealth of Australia Constitution Act 1901 consisting of its Preamble, Clauses 1 to 9 and the Schedule as Proclaimed and Gazetted to vote in this Referendum to become a Republic or stay as a Constitutional Monarchy and took no notice of the results.

A Federal Referendum of the people is an explicitly binding Act on all Australian Parliaments, Governments (COAG). When all Australian Parliaments, Governments (COAG) don't listen to Referendums they enact TREASON upon themselves.

Under the Australian Republic there is no Common Law of England which includes King James Bible, Magna Carta, Bill of Rights, Habeas Corpus etc, No Separation of Powers, all to the benefit of the Political Parties. = WILFUL TREASON.

The Contrary intention of the Political Parties Definitions establishing their Republic in 1973 by changing the Constitutional and official definitions hasn't changed.

Question 1. To alter the Constitution to establish the Commonwealth of Australia
as a republic with the Queen

This "Queen" is the Queen of Australia as this Commonwealth of Australia is a
sovereign, independent and federal nation so can't enact Royal Assent as it's not a
Constitutional Monarchy. Queen of Australia is an Abstract entity, not living.

The Referendum of 1999

Question 1. To alter the Constitution to establish the Commonwealth of Australia
as a republic with the Queen and Governor-General.

This Governor-General sits in Treason and is owned and controlled by the Political
Parties since 2nd February 1960 and is not the representative of The Queen being;
**Elizabeth the Second by the Grace of God of the United Kingdom of Great
Britain and Northern Ireland and of Our other Realms & Territories Queen,
Head of the Commonwealth, Defender of the Faith.**

The referendum of 1999 removed each and every republican Act in the
Commonwealth and the State rendering every Australian Court Federal and State

"Australian court" means a court of a State or any other court of
Australia or of a Territory other than the High Court."

Political Parties used the Judiciary Amendment Act (No.2) 1979 (Cth) to help create
their private Australian Courts, which repealed Sections 4 to 14 at Part II—
Constitution and Seat from "OUR" High Court established within the Commonwealth
of Australia Constitution Act 1901 consisting of its Preamble, Clauses 1 to 9 and the
Schedule and the Judiciary Act 1903 (Cth) Act No. 6, by circumventing Constitutional
Definitions = Treason.

Australia Act 1986 No.142 of 1985 **Both of these Acts were enacted under the Political Parties Definition of Australia established by and for the Political Parties in 1973 by changing the Constitutional definitions without a Referendum = Treason.**

United Kingdom Australia Act 1986 CHAPTER 2 **This Act was enacted by the English Parliament of the United Kingdom under European Union Civil Law.**

These three Australia Acts are of Treason and enforced by Political Parties, their private Australian Courts and Federal and State Police.

GUARDIANS OF THE CONSTITUTIONS

Commonwealth of Australia Constitution Act 1901 is NOT a tool to be wielded for Political Party expediency. It is the Supreme law of the Commonwealth of Australia. The Governor-General and State Governors in conjunction with the High Court at Chapter 3, Judiciary Act No 6 of 1903 are the Constitutional Commonwealth and State Guardians to take care that it is followed, NOT outmanoeuvred by Political Parties. The Federal and State Parliaments are not sovereign bodies; they are legislatures with limited powers, and any law which they attempt to pass in excess of those powers is no law at all it is simply a nullity, entitled to no obedience.

A Federal Referendum of the people is an explicitly binding Act on all Australian Parliaments, Governments (COAG). When all Australian Parliaments, Governments (COAG) don't listen to Referendums they enact TREASON upon themselves.
